The status of the claims is as follows:

Claim 34 has been cancelled; and

Claims 1-33 and 35-36 are herein addressed below.

Claims 1-33 and 35-36 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 1, lines 13-14, claim 22, lines 14-15, and claim 33, lines 14-15, the phraseology "to slide separated from the watertight joint" is not readily understood by the Examiner. In claim 1, lines 19-20, claim 22, lines 20-21, and claim 33, lines 20-21, the phraseology "guide the movable glass panel, when it slides" is not readily understood by the Examiner. It appears that the language is awkward. Furthermore, what does "it" refer to?

Depending on the applicant's amendments, it appears that claims 1-33 and 35-36 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not

Art Unit: 3634

mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
